

Fresh Air

s c u l p t u r e

Cars and coaches will be asked to park on the Green and then children will be asked to walk down Church Street. Cones will line the road to give safe access. Coaches will remain here and Students will need to walk back. Allow 10 mins.

Schools that are arriving at 11.30 for a self-led tour will have the same arrangements with coaches; and the church yard opposite Fresh Air Sculpture show will be available (with a few picnic benches) for lunch space – note the space is enclosed with a wall and gate.

All groups will be met by Emily Bird, Curator of Education upon arrival.
